

## Wisconsin MLS Coverage (by county)

There are thirteen MLS service providers in Wisconsin. Some associations are part of the South Central or Metro regional MLSs. Refer to WRA map of board jurisdictions for territory assigned by the NAR. MLSs do not have clear jurisdictions as most accept whatever listings are submitted by Participants. That creates overlap between the MLSs and may result in duplicate listings of properties. WIREX consists of Metro MLS, South Central MLS, Northeast WI MLS and Central WI MLS.
