When you (the agent) clicks on the 'Click here to view listings' link located in the yellow message box, it will open the listings in the Private version with the Quick Access menu on the left. If you click any of the listings or the 'View news feed in flexmls' link, you will be routed to the listings for that event but minus the Quick Access menu on the left. If you are not logged into FlexMLS at the time you click the link, it may ask you to log in.
