

Who should practice ADVERTISING INTEGRITY? EVERYONE!

IT'S THE LAW AND MLS POLICY

REPORTING A LISTING IS EASY AS 1,2,3 ...4,5.

1  **LOOK FOR THE PROPERTY ON MLS.**
Be sure to search Active, Delayed, Withdrawn Statuses and the Excluded Listing Report on FlexMLS.

NOT THERE?

2  **TAKE A PICTURE OR SCREEN SHOT.**
Take a photo or screen shot of the advertisement or marketing.

GOOD JOB, NOW

3  **WAIT 48 HOURS.**
This is the time frame allotted to enter a listing into MLS. Some properties could have active listing agreements, however have not been entered yet.

THAT WAS RELAXING, NEXT

4  **LOOK FOR THE PROPERTY ON MLS, AGAIN.**
Be sure to search Active, Delayed, Withdrawn Statuses and the Excluded Listing Report.

NOT THERE?

5  **REPORT IT. NO CALL REQUIRED.**
Report the alleged Advertising Integrity violation by emailing the photo of marketing/advertising & additional info you may have to: ai@metromls.com

GREAT! THANK YOU, WE WILL TAKE IT FROM HERE.
